PROFESSIONAL SUMMARY

Front-End Developer with experience building responsive web applications using ReactJS, JavaScript, HTML, CSS, and Next.js. Strong foundation in UI development, API integration, version control, and modern web technologies. Seeking an entry-level software development opportunity to contribute technical skills and continue professional growth.

TECHNICAL SKILLS

HTML5, CSS3, JavaScript, ReactJS, SQL, Git/GitHub, VS Code, Figma, Jira.

PROFESSIONAL EXPERIENCE

Front-End Developer (Remote) | Pepper Programming AB | Aug 2023 – Jun 2024

Developed responsive user interfaces using HTML, CSS, JavaScript, and ReactJS.

Built reusable UI components and integrated REST APIs.

Collaborated with UX/UI designers using Figma to enhance user experience.

Internet Marketing & Data Management Executive | Selvam Softech, Sivakasi | Apr 2017 – Dec 2018

Assisted in pay-per-click (PPC) campaign management, performance tracking, and digital marketing reporting.

Developed and optimized website content, supporting content marketing efforts and enhancing user engagement.

Executed strategic internet marketing campaigns, including SEO and link-building initiatives, to improve website visibility and search rankings.

ACADEMIC PROJECT

DevOps Restructuring Framework – Coventry University (2023)

Researched DevOps transformation practices, conducted surveys/interviews, and developed a framework to measure adoption success in organizations.
