

DAY2 TASKS

Task1: Create a page with 3 headings (h1, h2, h3)

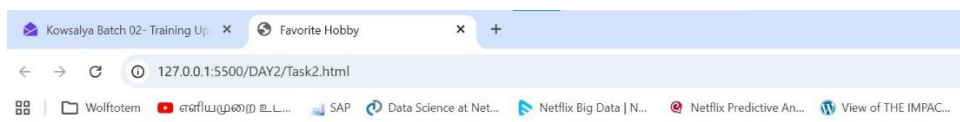

Main Heading (H1)

Subheading (H2)

Section Heading (H3)

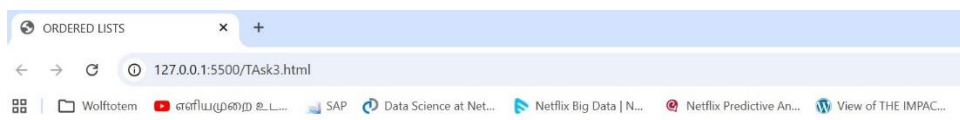

Task2: Write a paragraph about your favorite hobby

Favorite Hobby

My favorite hobby is reading books. I enjoy reading because it helps me learn new things, improve my vocabulary, and explore different ideas. I like reading a variety of books, including fiction, science, and history. Reading also helps me relax and spend my free time in a productive way. Whenever I read an interesting book, I feel inspired and gain new knowledge that I can use in everyday life.

Task3: Create an ordered list of 5 programming languages

Ordered lists

1. C
2. C++
3. Java
4. Javascript
5. Python

Task4: Create an unordered list of 5 fruits

Unordered List

- Apple
- Banana
- Mango
- Orange
- Grapes
